Dr. Linda Fugate, Conference Chair

avrtconference2021@gmail.com

Please note: Handouts are the responsibility of the presenter(s). Handouts must be available in accessible formats: large print, braille, and digital. Please note our program will be electronic, so digital handouts are encouraged. We also request your handouts be available to upload to the AVRT website following the conference. AVRT will provide LCD projectors, screens, and mic. Presenters are responsible for providing their own laptop. Please make a note of the equipment you will need for your presentation. Additional equipment may be requested (fee may be the responsibility of the presenter). Each presenter is required to register for the conference; the lead presenter for each accepted presentation will be offered a discounted registration rate.
